# CONSOLIDATED NURSERIES

Box 381, Santa Monica, Calif.

19 32

Largest Succulent Wholesale Dealers West

# IMPORTANT NOTICE

W/E ARE constantly gathering rare new varieties and propagating them fast as possible, so they can reach the trade at a reasonable price. Many varieties now listed will soon be obtainable in quantity and prices that will make them easily marketable at a good profit. We appreciate suggestions and exert ourselves to please. We will and do meet all competitive prices with a lower and better grade of plant cuttings. We appreciate friendly corespondence relating to business conditions etc. Such we keep confidential as additional courtesy to our customers. We will undertake to transact important matters as if it were in person all business in the state of California, also information on nursery conditions, collections, prices on best stock at lowest prices, investigations, etc. Such matters are strictly held confidential.

# PLANT NAMES

Names used in catalogue, we cannot guarantee as correct, as the constantly changing of these species by cactus societies, cranks, experts, etc, as to make it next to impossible, we give them as near correct as we possibly can.

# COMPLAINTS

Must be made immediately upon arrival, as we use exceedingly care in packing. We know they leave our firm in perfect condition, and are responsible only when the fault lies with us in that case we make good, if the fault is not ours, the matter should be taken up with the carrier at destination point.

# C. O. D.

To keep low prices, we do a cash business, when cash does not accompany order it will arrive C. O. D.

# ROOTED PLANTS

When a customer orders plants to be rooted, cash or 20% must accompany the order.

# SPECIMEN PLANTS

For landscape work, etc., can always be had at exceedingly low prices. Write for quotations.

At an exceedingly low brokerage fee we expect commissions for all plants, bulbs, seed, etc.

# IN CALIFORNIA

When visiting California please drop a line. We will be pleased to call for you and will try to make your visit enjoyable and assist in every possible way to make your stay a pleasant memory.

Wishing our customers Prosperity and Success.

Sincerely,

CONSOLIDATED NURSERIES.

# Extra Special!

Cotyledons, Sedums, Mesembriantheums, Etc.

Absolutely Free!

Unrooted succulent cuttings, various sizes, given in 1000 lots with every order amounting to \$100.00. Many of these varieties are now quoted as high as \$30.00 per 1000 by some dealers. We are overstocked and need the room and know of no better way to dispose of them than to give them to our customers who have helped us to build up the largest wholesale nursery of this variety of plants in the West. Remember, this is no TRASH OFFER.

# Extra Special!

# To Our Friends and Patrons:

We wish to thank you for the many favors bestowed upon us and in appreciation we are offering you List No. 7, containing the lowest prices ever offered by any dealer in this class of plants. As in the past, we will continue to fill all orders with high class unrooted cuttings and careful packing in lighter containers to save express rates. Your orders will contain ungraded cuttings, medium sizes to nice large ones, thus giving you a larger range of sizes and profit. TO THOSE WHOSE SPACE IS LIMITED, OR THOSE WHO DO NOT WISH TO BE BOTHERED WITH ROOTING THE CUTTINGS WE WILL UNDERTAKE TO ROOT THEM AT THE RATE OF 25c PER 100—DELIVERY DATE TWO WEEKS TO 30 DAYS FROM DATE OF ORDER; SO KEEP YOUR ORDERS IN ADVANCE SO AS TO HAVE THEM ARRIVE ON TIME. Any dealer wishing samples, we will gladly send an assortment of 75 varieties for \$5.00 of the medium sizes which amount will be refunded on any order amounting to \$100 or more. If what you want is not listed WRITE us about it, we wil! supply it at a much lower price than any other dealer. Suggestions appreciated. Complaints cheerfully adjusted. Our Motto: Honest, fair and square dealings. May we have your order?
